@ krishkpatelk2005@gmail.com

Gujarat, India

EDUCATION

Bachelor Of Engineering [2nd Year]

Sal [Gujarat Technological University]

08/2023 Present

•Computer Science Engineering (AI - ML)

SPI

9.71 / 10.0

INTERNSHIPS

Royal Techno soft Pvt Ltd

05/2023 Present

- Enhancing **coding skills** through specialized training programs at Royal.
- Acquiring hands-on experience in programming, software development, and project management.
- Focused on continuous learning to create innovative and efficient solutions.

PROJECTS

Student Record Database Management Program

10/2024

Developed a Java-based **CRUD** (Create, Read, Update, Delete) application to efficiently manage student records. Focused on designing a robust and user-friendly interface to perform database operations seamlessly.

•**Tools & Technologies:** Java, JDBC, My SQL, IDE [Eclipse])

Battle Card Game

07/2024

Designed and developed a simple yet engaging card game, "Higher Card Wins," focusing on logic, gameplay mechanics, and player interaction. The game involves comparing card values to determine winners across multiple rounds.

•**Tools & Technology:** DSA (VS Code)

Website creation

12/2023

A simple website which is used to sharpen my HTML and CSS skills.

•**Tools & Technologies:** HTML, CSS, JavaScript, and frameworks like Bootstrap

Secure Steps (Guardian Controlled Child Security System)

08/2024 Present

•Designing and developing a prototype for a child security system integrated with parental controls, emphasizing user-friendly interfaces and real-time monitoring. **[Team Leader]**

CERTIFICATIONS

Oracle Cloud Database Management 2023 Certified Foundation Associate

Oracle Aug, 2024

Oracle Cloud Infrastructure 2024 Generative AI Certified Professional

Oracle July, 2024

SUMMARY

- Enthusiastic Computer Science engineering student specializing in AI and machine learning.
- Proficient in Java and C++, with Oracle certifications in cloud infrastructure and database management.
- Passionate about applying technical expertise to drive innovation and develop cutting-edge solutions.

SKILLS

Technical Skills

C, C++ , HTML, CSS, JavaScript, Java [OOPS , JDBC], Advance Java, DSA, SQL

Soft Skills

Leadership, Calm under pressure, Project planning, Decision-making, Multitasking Abilities, Self-motivation, Project management, Teamwork and Collaboration
