

RULEBOOK BUILDFOLIO

Design Your Digital Identity

WELCOME, CREATORS!

Get ready to put your story on the screen!

BuildFolio is all about designing your own interactive, dynamic portfolio website, a space that truly reflects you (or your team!). You can participate solo or as a team of up to 3 members. Whether it's a personal showcase or a collective team identity, make it bold, make it creative, make it yours!

EVENT OVERVIEW

- Team Size: **1 to 3 participants**
- Participants must build **one single portfolio website per team**.
- This portfolio will highlight your personal or collective identity, including anything from your journey, achievements, and creative flair.

SUGGESTED TOOLS & TECH

- HTML, CSS, JS
- MERN Stack
- Animations
- Any other technology stack of your choice as long as the site is hosted and shareable via link.

EVENT FLOW

WEB DESIGN TIME

 **00:00 – 24:00 (JULY 19–20)**

Use this time to design your interactive portfolio website. This is your canvas, so let your design, personality, and skillset shine through!

SUBMISSION WINDOW

 **STARTS: 9:00 PM, JULY 19**

 **ENDS: 12:00 PM, JULY 20**

- Submit only one portfolio link per team.
- Submit your project using the Google Form provided on our official platform.
- In case of any doubts, reach out through our **Discord server** - we're here to help!

WHAT TO INCLUDE IN YOUR PORTFOLIO?

Let your creativity flow but here are some optional components to get you started:

- Name and personal info
- Education background
- Projects & achievements
- Extra-curriculars
- “About Me” section
- Contact details

✦ Feel free to mirror your resume or completely reinvent it. There are no fixed templates here.

SUBMISSION FORMAT

- Hosted Website Link (must be live and accessible)
- Submit your link via Google Form (link will be shared)
- Only one link per team will be considered valid

JUDGING CRITERIA

Your portfolio will be evaluated on the following:

1. Responsiveness
2. Originality
3. Creativity
4. Functionality
5. Presentation
6. Information Architecture
7. Usability
8. Visual Design

SUPPORT & QUERIES

- **DISCORD SERVER**

Official platform for all questions, announcements, and submission-related queries.

NOTE :

- Templates of other people and plagiarism are forbidden
- Try to keep the data in the portfolio as close to the original and real as possible.

Let's build something unforgettable.

*Welcome to **BuildFolio!***
